Dear Sirs:

I would like to compliment you on your fine product. The cigars you manufacture are of the finest quality. I have given them as gifts to friends and clients. Everyone has been thoroughly satisfied with the taste, aroma and smoothness of your cigars.

I also want to tell you how convenient I find your cigar boutique at the Prudential Center, new home of the New Jersey Devils. Since my wife has a half-season subscription to Devils' home games, she is able to purchase your cigars for me when I need a special gift for a friend or a client.

I wish you continued success with the arena boutique. My thanks again for producing such a fine cigar.

Sincerely,

Paul A. Fisk
Vice President
